Re: Conservation Closure(s)/Opening(s)

Dear Mr. Preston:

This is to acknowledge receipt of the following: **New requests are in BOLD.**

Effective	End Date	Shellfish Area	Status
6/1/2022	6/1/2025	Suffolk University Beach: Northern point on the beach identified with an orange stake to 400' south to another orange stake.	Closed
6/1/2022	6/1/2025	Marion's Cove: The entirety of the cove from the most southern points of the mouth of the cove.	Closed
6/1/2022	6/1/2025	Burnt Cove: The entirety of the cove from the most easterly points at the mouth of the cove.	Closed
6/1/2022	6/1/2025	Inside Williams Island: North point of Williams Island to the south point. The inside beach closest to the main shoreline.	Closed
6/10/2019	5/31/2022	<u>Big Beach</u> - southeast of a line beginning at the western tip of Bar Island Point then running northeast to a stream entrance at the center of the beach on the northeast side of the cove	Closed
6/10/2019	5/31/2022	<u>McGregors Cove</u> - east of a line beginning at the western tip of Bar Island Point then running south to the western tip of the next point immediately to the south.	Closed

This office approves of the Town of Washington County UT conservation measures. We appreciate your efforts to keep us informed on your conservation activities.

If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Denis-Marc Nault
Shellfish Program Supervisor
