

# Monthly Online Education

In order to fill the gap created by the cancellation of the annual EMS Conference, and to thank everyone for their support over the years, APEMS will be offering *free*, regular online education beginning in November 2020 and continuing through June 2021. We will offer two noon 1-hour “lunch and learn”, two evening 2-hour, and one Saturday 2-hour session each month. Students will have to pre-register for each session they want to attend using the appropriate link associated with the class. We will attempt to schedule a presenter on each of the days listed below, but please check the schedule chart below for the actual days, topics, and presenters we have scheduled.
