

HAPPY ANNIVERSARY

50TH ANNIVERSARY
 **EMS WEEK**
May 19-25, 2024

From The National Registry Of Emergency Medical Technicians

This year marks the 50th Anniversary of EMS Week, a milestone that underscores the priceless contributions of emergency medical services clinicians like you. In celebrating this important event, we extend our heartfelt congratulations and deepest appreciation to the clinicians and the many EMS organizations nationwide for your dedication and commitment to saving lives.

National Registry of Emergency Medical Technicians has collaborated with EMS educators, EMS organizations, and EMS employers and clinicians for more than 50 years to ensure that all EMS clinicians have the knowledge and skills required for competent practice. Our purpose, vision, and mission have evolved but one thing has never changed: we stand by you proudly serving as the Nation's Emergency Medical Services Certification Organization.

In this golden celebration of your achievements, advancements, and milestones, we salute you all. Thanks to the efforts of many people, particularly the clinicians who answer the call each and every day, the world is safer and healthier. You make a difference in communities across our nation, in our territories, and in our military.

We thank you and appreciate you on behalf of the entire EMS community. Happy 50th Anniversary EMS Week. The best is yet to come.

Sincerely,

Bill
