Re: Assurance of Matching Funds

Dear Secretary Buttigieg:

This letter serves as evidence of assurance by the State of Maine Department of Transportation (MaineDOT) that matching funds for the FY 2022 Electric and Low-Emitting Ferry Pilot grant application "Replacement of MaineDOT's *Margaret Chase Smith Ferry*" submitted by MaineDOT are committed and will be provided.

MaineDOT is seeking \$28M in FY 2022 grant funding, matched by \$7M in state funding. Should funds be received, this project will be included in MaineDOT's 2023-2025 *Work Plan* and added to the Statewide Transportation Improvement Program (STIP) for 2022-2025. It is consistent with MaineDOT's statewide strategic transit plan and long-range plan. MaineDOT is committed to providing these matching funds to the Federal funds requested.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bruce A. Van Note'.
