

YORK COUNTY EMA G-191 EOC/ICS SYSTEM INTERFACE

INSTRUCTED BY: SCOTT GAGNE

York County Emergency Management Agency is excited to announce we will be hosting G-191 Class.

The goal of G-191 is to demonstrate the interface of Incident Command System operations with Emergency Operations Center Support. This course is designed for personnel who are active in a community's ICS and EOC activities.

Upon completion of this course, students will be able to:

- Explain the course structure and potential ICS/EOC interface challenges.
- Explain key NIMS concepts, command and coordination systems, and structures.
- Analyze given scenarios to determine commonalities and potential interface issues between ICS and EOCs.
- Explain the respective roles and interconnectivity of the NIMS command and coordination systems in coordination.
- Contrast the typical role and functions of the Incident Command and the EOC during emergency operations.
- Analyze given scenarios to apply ICS/EOC interface concepts.
- Develop an ICS/EOC interface action plan for your community.
- Summarize the course objectives.
