This Agreement is made and entered into by and between the TOWN OF SKOWHEGAN, hereinafter referred to as "TOWN," and the Skowhegan Firefighters Local 4618 INTERNATIONAL ASSOCIATION OF FIREFIGHTERS, hereinafter referred to as "ASSOCIATION."

ARTICLE 1 – PREAMBLE

Pursuant to the provisions of Chapter 9A Revised Statutes of Maine, Title 26, as enacted by the Maine Legislature, entitled "An Act Establishing the Municipal Public Labor Relations Law," this AGREEMENT is made and entered into by and between the Town of Skowhegan, Maine, and the IAFF and Skowhegan Firefighters Local 4618.

In order to establish mutual rights, preserve proper employee morale, and to promote effective municipal operations, the Town of Skowhegan, Maine, and the IAFF herein bind themselves in mutual agreement as follows:

ARTICLE 2 – UNION RECOGNITION AND NON-DISCRIMINATION

The Town recognizes the Association as the sole and exclusive bargaining agent for the full-time Firefighters up to and including the rank of Captain, for the purpose of bargaining with respect to wages, hours, working conditions and contract grievance arbitration. Excluded from the unit are the Fire Chief, Assistant Chiefs, administrative employees, temporary employees, part-time employees and call members of the Skowhegan Fire Department.

No employee covered by this agreement shall be favored or discriminated against because of creed, color, age, gender, sexual orientation, national origin, religion, physical or mental disability except where such disability, even with reasonable accommodation disqualifies an individual for a particular position, worker's compensation history, previous or present union activities or union membership.

ARTICLE 3 – MANAGEMENT RIGHTS AND DEPARTMENTAL RULES

The Town retains all rights and authority to manage and direct its employees, except as otherwise specifically provided in this agreement. Such rights shall include but shall not be limited to: the operation and management of the Department; the direction of the working forces; the right to hire, to discharge and discipline, to change assignments, to promote, to suspend, discharge for just cause; to reduce or expand the working forces; to transfer; to maintain discipline; to introduce new, improved or changed methods of work or facilities; to establish, change, combine or eliminate jobs, work, tasks or positions. The Town's not exercising any function or right hereby reserved to it, or the exercising of such functions in a particular way, shall not be deemed a waiver of its right

to exercise such function or preclude the Town from exercising the same in some other way not in conflict with the express provisions of this agreement.

The Town may adopt rules for the operation of the Department and the conduct of employees including but not limited to the Town's Personnel Policy, provided such rules do not conflict with any provisions of this Agreement. All rules and regulations of the Department in effect on the date of execution of this Agreement are incorporated into and form a part of this Agreement. The Town agrees to furnish each new employee with a copy of said rules at the time of hire. All rules and regulations shall be posted on the Firefighters' bulletin board for a period of ten (10) days before becoming effective. The Town agrees to provide a copy to all employees in the unit at time of posting by placing said copy in each employee's workplace mailbox or email inbox.

The staffing levels of the Department and of any said shift or situation shall be determined by the Town.

ARTICLE 4 – DUES CHECKOFF

The Town agrees to deduct weekly dues from the pay of each employee who voluntarily signs a check of authorization in the form hereafter set forth until such time as the Town receives a written notice of revocation as described later below.

Employees covered by this bargaining unit who refuse to pay dues shall not receive services of the Association for processing grievances, unless they pay reasonable fees for such services, including attorney's fees, arbitrator's fees and expenses incurred by the Association. Failure to pay under this provision will not result in disciplinary action.

Authorization for such deductions shall be irrevocable for the period of this Agreement, and shall be automatically renewed for successive similar periods unless revoked by written notice to the employer and to the Association fifteen (15) days prior to the expiration of this Agreement or any extension thereof.

The Association shall indemnify the Town and any Department of the Town and hold it harmless against any and all claims, demands, suits or other forms of liability that may arise out of, or by reason of, any action or inaction of the Town or any Department of the Town for the purposes of complying with the provision of this Article.

ARTICLE 5 – STRIKES AND SLOWDOWNS PROHIBITED

The parties hereto agree that there will not be and that the Association, its officers, employees, or agents will not engage in strikes or slowdowns which would involve suspension of or interference with normal work.

ARTICLE 6 – PROBATIONARY PERIOD

A. All employees who complete the probationary period shall be known as regular employees; and the probationary period shall be considered part of the seniority time, provided, however, the Town shall have the right to terminate the employment of such new employees within the probation period without compliance with the terms of this Agreement.

The probationary period for newly hired Firefighters and Captains shall be a period of six (6) months. Employees promoted to captain, who do not successfully complete the probationary period shall have the right to return to their former position as Firefighter.

B. Employees hired on or after 7/01/2019 are, as a condition of employment, required to obtain within 12 months of hire and maintain current licensure as an EMT or equivalent in accordance with medical control and Maine State law.

[Employees hired prior to 7/01/2019 are not subject to the requirement to become or maintain EMT licensure.]

ARTICLE 7 – RESIDENCE REQUIREMENT/COMMUTE TO WORK

The employees of the fire department must reside within an area to be able to respond to emergency conditions within 60 minutes of the Skowhegan Fire station.

ARTICLE 8 – GRIEVANCES AND ARBITRATION

No employee shall have or exercise any of the authorities, powers, or duties of a representative in dealing with the employer unless written notice of this appointment is filed with the employer by the Association.

Representatives shall be permitted to adjust grievances during working hours, provided, however, that no Representative shall leave the Representative's regular work for the purpose of adjusting grievances without reporting to and obtaining the permission of the Representative's supervisor. Time spent in handling grievances shall not be unreasonable or exclusive.

For the purpose of this Agreement, the term "grievance" shall mean a complaint by an employee that there is a disagreement or dispute as to the meaning or application of any provision of this Agreement. Should any grievance arise, the procedure of settlement shall be in the following order and manner:

1. The Representative, with or without the employee, shall take up the grievance or dispute with the Chief of the department within thirty (30) days after the date of the grievance or the employee's knowledge of its occurrence. The Chief shall

attempt to adjust the matter and shall render a decision to the Representative in writing within seven (7) days;

2. If said grievance has not been settled, it shall be presented in writing by the Association Representative or an appropriate Association Grievance Committee to the Town Manager or designee within seven (7) days after the Fire Chief's decision is rendered. The Town Manager or designee shall render a decision to the Association or its Grievance Committee in writing within fourteen (14) days after presented to the Town Manager or designee;
3. If said grievance is still unsettled, the Association may, within fourteen (14) days, by written notice the other party, submit the grievance to arbitration. The parties shall within ten (10) days of the demand for arbitration jointly attempt to agree on a single arbitrator. In the absence of mutual agreement, the grievance shall be submitted to the Maine Board of Arbitration and Conciliation, in accordance with the Municipal Public Employees Labor Relations Act, revised 1976, and amendment thereto, or any successor act enacted by the Legislature of the State of Maine governing arbitration of public employees. The Arbitrator's decision shall be final and binding on both parties. The cost of arbitration shall be borne equally by both parties.

It is suggested that, for orderly handling of all fire business, and for the prevention of grievances that might arise, there be a monthly meeting held between the Fire Chief and the Representatives appointed by the said Association. Monthly meetings may be canceled if both parties agree and a monthly meeting does not seem necessary at the time.

Deadlines may be extended if mutually agreed by both parties.

ARTICLE 9 – WAGES

Base wages shall be paid according to the attached pay scale.

The scale will provide for lateral entry at the employer's discretion for newly hired experienced firefighters to provide credit for their qualifications, such as previous training and experience under the terms and conditions currently in effect. The wage rate set upon date of hire will solidify the employee's step position in the wage scale. The employee will be entitled to receive wage increases based on that initial step position and the annual step increases included in the pay scale.

Steps on the wage scale will be implemented on an employee's anniversary date.

ARTICLE 10 – RETIREMENT AND PENSION

System Plan. The employee shall receive two (2) weeks (84 hours) of non-accruing personal days annually. An employee that is rehired under these conditions may be employed by the town for a maximum of five additional years. The employee will be responsible for the payment in lieu of contribution that is required during the period of re-employment at the applicable rate set by MPERS. An employee that is hired by the Town that is receiving MPERS benefits based on employment for another employer will be responsible for the payment in lieu of contribution required by MPERS.

Employees who do not participate in a MPERS defined benefit plan will be eligible to participate in a MPERS 457 Deferred Compensation Plan in accordance with plan documents. The Town agrees to make matching contributions to the 457 Deferred Compensation Plan in a fixed amount equal to 100 % of the employee's contribution not to exceed 10% or the MPERS defined benefit employer rate of a Participants Compensation Plan, whichever is lower.

Employees who participate in a MPERS defined benefit plan who are eligible to participate in the Town's MPERS 457 Deferred Compensation Plan in accordance with plan documents may do so. However, the Town will not provide any contribution to the 457 Deferred Compensation Plan for those employees.

After that adjustment, additional vacation time will accrue at one-half ($\frac{1}{2}$) day (4 hours) per year. Employees hired after 7/1/07 are not eligible for the additional vacation time beyond the fourth week after 10 years of service.

The purpose of the Sick Leave Donation Policy is to provide an additional paid leave for employees who have exhausted their accrued sick and vacation leave benefits as the result of a catastrophic illness or injury. The policy allows employees to voluntarily contribute leave to other employees. The purpose of this policy is not to provide unlimited paid sick leave, but to alleviate the hardship caused when employees lose compensation as the result of a catastrophic illness or injury.
