Collective Bargaining Agreement

This Collective Bargaining Agreement ("Agreement") is entered into between the CITY OF AUBURN, a Maine municipal corporation hereinafter referred to as the "City" and TEAMSTERS LOCAL UNION NO. 340, hereinafter referred to as the "Union."

ARTICLE 1 - PREAMBLE

Pursuant to the provisions of the Municipal Public Employees Labor Relations Act (Title 26, M.R.S. §§ 961-974, as it may be amended) the parties hereto have entered into this Agreement in order to establish mutual rights, preserve proper Employee morale and to promote effective and efficient operations.

ARTICLE 2 - RECOGNITION

The City recognizes the Union as the sole and exclusive bargaining agent for all permanent Employees of the City's Department of Public Works (the "Department") in the following classifications:

Arborist
Assistant Arborist
Building/Field Maintenance Repair Technician
Building Maintenance Person
Equipment Operator I
Equipment Operator II
Inventory Technician

The Public Works workers who are covered by this Agreement are collectively referred to as "Employees" and individually as an "Employee."

(No Municipal, State or Federally subsidized work programs are included in this unit). Temporary workers in the Department are not included in this recognition.

ARTICLE 3 - UNION SECURITY

Section 1 – Right to Join Union

45 Membership in the Union is not compulsory. All employees who are
member of the union as of the date of this agreement and all employees who
hereafter become members of the Union, shall maintain their membership in
good standing in the union for the duration of this agreement. All new
employees will be notified that membership is binding for the duration of the
contract prior to signing the membership form, by the union. Neither party shall
exert any pressure on or discriminate against an Employee in regards to such
matters.

50 **Section 2 – Union Representation and Fees**

55 The Union has the obligation to represent all non-probationary Employees
within the bargaining unit. Those Employees shall have the following options:

- 60 A. The first option being to join as full members of the Union and be
entitled by that status, to participate in all Union functions, activities, and
receive all benefits awarded by such membership. All Employees who are
Union members shall, as a condition of employment, pay to the Union and the
Union's regular and usual initiation fee and its regular and usual dues. For
present Employees, such payments shall commence thirty-one (31) days
following the effective date or on the date of execution of this Agreement,
whichever is the later, and for new Employees, the payment shall start thirty-
one (31) days following the date of employment. If, however, during the term
65 of this Agreement, Maine law is altered to permit an agency shop, all
Employees shall, as a condition of employment, pay dues to the Union. The
Shop Steward of the Union will issue the monthly dues receipts to the Director
of Public Works, who will then attach the dues receipts to the paychecks of
each Employee.
- 70 B. The second option being not to join as full members of the Union.

75 **Section 3 – Indemnity for Union Security**

The Union agrees to indemnify and hold the City harmless against any and all
claims, suits or orders or judgments brought or issued against the City, as a result of
any action taken, relating to the provisions of this Article.

80 **ARTICLE 4 - MANAGEMENT SECURITY/NO STRIKES**

Neither the Union, its officers or agents, nor any of the Employees covered
by this Agreement will engage in, encourage, sanction, support or suggest any

85 strikes, slow downs, mass resignations, mass absenteeism, the willful absence
from one's position, the stoppage of work or the abstinence in whole or in part of
the full, faithful and proper performance of the duties of employment for the
purpose of inducing, influencing or coercing a change in the conditions or
90 compensation or the rights, privileges or obligations of employment. In the event
that any Employee violates this Article, the Union shall immediately notify any
such Employee to immediately return to work. Any or all Employees who violate
any of the provisions of this Article may be discharged or otherwise disciplined.

ARTICLE 5 - CHECK-OFF

95 The City agrees to cooperate with the Union in facilitating the deduction of
the regular weekly Union dues for those Employees who are Union members and
who request in writing (by signed authorization cards) to have their regular
weekly dues checked off. The City will also cooperate with the Union in facilitating
100 the deduction of the weekly Agency Fees in accordance with Article 3. The City
will forward all such dues and Agency fees to the Union in a timely manner. The
Union agrees to indemnify and hold the City harmless against any and all claims,
suits, orders or judgments brought or issued against the City as a result of any
action taken or not taken by the City under the provisions of this Article.

105

ARTICLE 6 - MANAGEMENT RIGHTS

110 It is recognized that, except as expressly stated herein, the City shall retain
whatever rights and authority are necessary for it to operate and direct the affairs
of the Department in all of its various aspects, including, but not limited to, the
right to direct the working forces; to plan, direct and control all the operations and
services of the Department; to determine the methods, means organization and
number of personnel by which such operations and services are to be conducted;
to assign and transfer Employees; to schedule working hours and to assign
115 overtime; to determine whether goods or services should be made or purchased;
to hire, promote, demote, suspend, discipline, discharge or relieve Employees due
to lack of work or other legitimate reasons; to make and enforce reasonable rules
and regulations; to establish reasonable productivity standards and expectations
and to change or eliminate existing methods, equipment or facilities.

120

ARTICLE 7 - UNION ACTIVITIES

Section 1 - Time Off for Union Activities

125 The City agrees to grant the necessary time off, without discrimination or

130 loss of seniority rights and without pay, to any Employee designated by the Union to attend a labor convention or to serve in any capacity on other official Union business, provided one week's written notice is given to the Director of Public Works or Deputy Director of Public Works by the Union specifying length of time off. The Union agrees that, the City may deny said request if it is deemed that said request would cause a disruption of the City's operations due to lack of available Employees.

135 Section 2 - No Discrimination Because of Union Activities

140 Any Employee member of the Union acting in any official capacity whatsoever shall not be discriminated against for his or her acts as such office of the Union so long as such acts do not interfere with the conduct of the City's business, nor shall there be any discrimination against any Employee because of Union membership or activities.

Section 3 - Access to Premises

145 Authorized agents of the Union shall have access to City premises during working hours for the purpose of adjusting disputes, investigating working conditions, collection of dues and ascertaining that this Agreement is being adhered to; provided, however, that there shall be no interruption of the City's working schedule as determined by the Director of Public Works or his or her designee. The Director of Public Works or his or her designee shall be given prior notification of authorized agent's visits.

Section 4 - Bulletin Board

155 The City agrees to provide suitable space for and maintain a bulletin board at the Public Works facility. The Union shall limit its use of the bulletin board to official Union business such as meeting notices and Union bulletins.

Section 5 - Shop Stewards

160 The City recognizes the right of the Union to designate Shop Stewards and Alternates. The authority of Shop Stewards and Alternates so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:

165 A. The investigation and presentation of grievances in accordance with the provisions of this Agreement;

B. The transmission of such messages and information which shall

originate with and are authorized by the Union or its officers, provided such messages and information have been reduced to writing;

170

C. The Shop Stewards and Alternates shall be permitted to investigate, present and process grievances, on or off the property of the City, without loss of time or pay. Such time spent in handling grievances during the regular workday shall be considered working hours in computing daily and/or weekly overtime;

175

D. Shop Stewards and Alternates must notify their immediate supervisor of time needed for activities under this section;

180

E. Investigation, processing or presentation of grievances shall not interrupt city work activities without the prior approval of the Director of Public Works or his or her designee;

185

F. Participation in negotiations and arbitration meetings, for which the Shop Stewards and Alternates shall be paid at their normal hourly rate (not overtime rate), without loss of pay.

For those Employees needing assistance in writing grievances, the Shop Steward or Alternate and the aggrieved Employee shall be permitted to meet just prior to the end of the work shift (approximately fifteen (15) minutes).

190

ARTICLE 8 - DISCHARGE OR SUSPENSION

Section 1 – Progressive Discipline

195

The City and the Union agree with the tenets of progressive and corrective discipline where and when appropriate. The provisions set forth in this Article, unless otherwise noted, shall be used for violations of City, state and federal laws, City policies and procedures and Department policies, practices and procedures. Certain violations, such as but not limited to violations of law, negligence, repeated offenses and violation of safety policies and/or safe work practices and loss of license as outlined in Section 2, may warrant discipline not in accordance with the progressive process. In each case, it shall be the discretion of the Director of Public Works or his or her designee to determine the appropriate discipline. Factors such as severity, frequency, consequences of the violation and the Employee's prior work and disciplinary records may be considered in determining the appropriate level of discipline. Determinations by the Director of Public Works or his or her designee may be reviewed by the Labor-Management

200

205

210 Team and may be appealed in accordance with the grievance provisions of this Agreement.

The progressive discipline process is as follows;

215 Oral Warning (First Violation) – requires a written record of the oral warning given and the reason(s) therefore. May be given by any Department supervisory personnel. May also include referral to the City’s Employee Assistance Program (EAP), if appropriate.

220 Written Warning (Second Violation) – requires a written notice, indicating the violation and reason(s), to the Employee, with copies to the Union Shop Steward, the Employee’s personnel file, and the Director of Public Works or his or her designee. May include referral to EAP and/or no pay for time not worked.

225 Minor Suspension (Third Violation) - suspension of one (1) day without pay. Requires written notification, indicating the violation, reason(s) and dates of suspension, to the Employee with copies to the Union Shop Steward, the Union office, the Employee’s personnel file, and the Director of Public Works or his or her designee. May also include referral to EAP.

230 Major Suspension (Fourth Violation) - suspension without pay for no less than (3) days and no more than five (5) days. Requires written notification, indicating the violation(s), reason(s) and dates of suspension, to the Employee with copies to the Union Steward, the Union office, the Employee’s personnel file, and the Director of Public Works or his or her designee. May also include referral to EAP.

240 Discharge (Fifth Violation) - termination of employment with the City. Requires written notification from the Director of Public Works indicating the reason(s) and date of termination, with copies to be sent to the Employee, the Union Steward, the Union office, and the Employee’s personnel file.

Section 2 – Loss of License

245 An Employee whose job description requires a driver’s license, including a particular class of license and/or a Commercial Driver’s license (CDL) designation shall be subject to the following discipline:

- 250 A. An Employee who loses his/her license for up to 120 days will immediately be taken out of his/her regular position and will be placed in a job that will accommodate the loss of license. The Employee will receive loss of pay by stepping down one step in his/her respective range until the license is restored.
- 255 B. An Employee who loses his/her license for more than 120 days will be terminated. Before the Employee is terminated, the City will hold a pre-disciplinary hearing and will consider documentation from the State or from
- 260 such other governing authority regarding revocation, restriction or restoration of the licenses well as any extenuating circumstances surrounding the loss of license.
- C. An Employee who loses his/her license for a second time within a (3) three year period will be terminated immediately.
- 265 D. An Employee who fails to immediately notify the Deputy Director of Public Works, the Operations Manager or the Fleet Manager that his/her license has been suspended, restricted or revoked will be terminated immediately. Any Employee who knowingly fails to notify Public Works management that
- 270 his/her license is under review for possible suspension or revocation will receive a 5-day suspension without pay.
- E. The Progressive Discipline Process (steps) outlined in Section 1 of this Article does not apply to discipline or action taken under A through D of
- 275 Section 2 involving loss or suspension of required drivers licenses. The Employee may appeal through the regular grievance procedure.

Section 3– Union Representation

- 280 For the second through fifth violations listed in Section 1, a Union steward shall be present at the time of written notification. Employees shall have the option of waiving their right to have a Union representative present.

Section 4– Suspension and Discharge

- 285 In all cases involving suspension or discharge, the City shall notify the Employee of the existence of an investigation that may be cause for suspension or discharge. Such notice shall also be given to a Union steward. Upon conclusion and final determination a notice of final action, including suspension or discharge,
- 290 shall be mailed to the Employee, Union steward and Union office within one (1) working day of issuance.

Section 5- Wages

295 Any Employee discharged must be paid in full for wages owed him/her by the City, including earned vacation pay, at the pay period following the date of discharge. This provision shall not apply to the payment of other benefits not specifically covered by law or provisions of this agreement.

300 Section 6- Appeal

Any Employee wishing to appeal a disciplinary action shall utilize the grievance procedure set forth in this Agreement.

305 Section 7- File Review

Two years after an incident giving rise to discipline, an Employee may submit a request to the Director of Public Works or his or her designee, requesting that the incident be purged from the Employee's personnel file. Such a request shall be reviewed by a three (3) member committee composed of the City Manager or designee, the Director of Public Works or his designee and Union Steward. In considering whether to purge an incident, the Committee may consider the Employee's work record and violations since the date of the incident in question. The Employee may also submit, in writing, reasons why the incident should be purged. The decision of the Committee shall be final and binding upon all parties.

ARTICLE 9 - GRIEVANCE PROCEDURE

320 Section 1 - Definition

A grievance shall be defined as any dispute or disagreement raised by an Employee against the City involving interpretation or application of the specific provisions of this Agreement. All grievances shall be settled in the following manner:

Step 1 - The aggrieved employee(s) and the Union steward shall notify the employee(s)' immediate supervisor of a grievance within ten (10) working days of the event which caused the grievance. In an effort to resolve the grievance, a meeting shall be arranged involving the aggrieved employee(s), a union steward, the employee(s)' supervisor and the Public Works Operations Manager or Deputy Public Works Director. The purpose

335 of the meeting will be to share information, to review the grievance and to attempt to resolve or settle the dispute. The meeting shall be held within ten (10) working days from the date of notification to the employee(s)' supervisor. Written documentation of the result(s) of the meeting will be given to the aggrieved employee and the union within five (5) working days.

340 Step 2 - If the results of Step 1 are not satisfactory to the employee, the employee and steward may appeal to the Public Works Director or his designee in writing within ten (10) working days of the date of the Step 1 meeting documentation. The Public Works Director or his designee shall attempt to resolve or settle the dispute promptly and shall submit a written
345 report of his action to the employee within ten (10) working days of its presentation.

350 Step 3 - If the Public Works Director's action is not satisfactory to the employee, the employee and steward may appeal the case to the City Manager in writing within ten (10) working days of the decision of the Director. The Manager or his/her designee shall forthwith consider the appeal and may hold a meeting or hearing at his/her option. The City Manager shall reach a decision within ten (10) working days of receipt of the employee's appeal, and submit his/her decision in writing to the
355 employee.

360 Step 4 - If the grievance is not settled in accordance with the foregoing steps, then the City and/or the Union may refer the grievance to mediation within ten (10) working days after the receipt of the City Manager's decision. The parties shall utilize the Maine Labor Relations Board mediation procedures in accomplishing the purposes of this step.

365 Step 5 - If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to binding arbitration within ten (10) calendar days after the completion of the mediation process prescribed in Step 5. The parties shall attempt to agree upon an arbitrator within five (5) calendar days after receipt of notice of referral and in the event the parties are unable to agree upon an arbitrator within said five (5)
370 day period, the parties shall immediately jointly request the American Arbitration Association to submit a panel of five (5) arbitrators. Either party may reject the entire panel. Both the City and the Union shall have the right to strike two (2) names from the panel. One party shall strike the first name, the other party shall then strike a second name, the first party a third name, and other party a fourth name, and the remaining person shall be the

375 arbitrator. The order of striking shall be determined by a coin toss.

380 1 - The arbitrator shall be notified jointly by the parties of his/her selection
and shall be requested to set a time and place for the hearing, subject to the
availability of Union and City representatives. The arbitrator shall submit his/her
385 decision in writing within thirty (30) calendar days following the close of the
hearing or the submission of briefs by the parties, whichever is later. The fees
and expenses of the arbitrator shall be divided equally between the City and the
Union, provided, however, that each party shall be responsible for compensating
its own representatives and witnesses. If the above selection procedure fails to
produce an arbitrator, then a request for arbitration will be submitted to the Maine
Labor Relations Board.

390 2 - The Union or its authorized representative shall have the right to
examine time sheets and any other records pertaining to the computation of
compensation of any individual or individuals whose pay is in dispute or records
pertaining to a specific grievance, provided such requests are first made in writing
to the Director of Public Works.

395 3 - The time limits for the processing of grievances may be extended by
consent of both parties, followed by written confirmation including a defined time
period for the extension.

400 4 - All grievances shall be initiated not later than ten (10) working days after
the occurrence of the event giving rise to the grievance.

405 5 - Should the City feel aggrieved as the result of the interpretation or
application by the Union of any provision in this Agreement, the City may seek
adjustment of said grievance in the foregoing manner, except that the procedure
may be initiated at Step 4.

ARTICLE 10 - SENIORITY

Section 1 - List and Purpose

410 A seniority list shall be established naming all the Employees covered by
this Agreement, with the Employee with the greatest seniority (years of service)
listed first. Seniority shall be based upon the Employee's last date of hire.
Seniority, for the purpose of this Agreement shall be interpreted to mean length
of continuous service only, and shall be the governing factor in all matters
415 affecting layoff and recall provided all other qualifications are equal. In cases of
promotion and work shift assignment, where ability and qualifications are equal,

Employee seniority will be recognized as the controlling factor. Work shift shall be defined as a scheduled period of work and shall not be considered in the same context as daily work assignment.

420

The City reserves the exclusive right to make day to day work assignments based upon the work required to serve the citizens of Auburn. In making day to day work assignments the City agrees to consider seniority as a factor in assigning the work available, providing such consideration does not interfere with the efficient conduct of the City's business. The Union agrees that this issue will not be processed through the grievance procedure but will be referred and reviewed within the Labor-Management Team process.

425

Public Works Management Staff will maintain an overtime list in the administrative office. Employees will be allowed to sign up for overtime shifts and overtime will be approved based upon seniority.

430

Section 2 - Layoff

In the event it becomes necessary for the City to layoff Employees for any reason(s), Employees shall be laid-off in the inverse order of their seniority, by classification with bumping rights. All affected Employees shall receive a two (2) calendar week advance notice of layoff and the City shall meet with the affected Employees prior to the actual occurrence of layoff. Employees shall be recalled from layoff according to their seniority. No new Employees shall be hired until all Employees on layoff have been afforded recall notices.

435

440

Section 3 - Availability

The seniority list shall be made available to the Union within thirty (30) days after the signing of this Agreement and posted on the Department bulletin board. Corrections to the seniority list shall be made within thirty (30) days of such posting. After such thirty (30) day period, the seniority list shall be deemed correct.

445

450

Section 4 - Draft

A name shall stay on the seniority list if an Employee of draft age either is drafted or enlists (under the threat of draft). The name shall stay on the seniority list for four years or until the end of hostile enemy action (whichever is longer).

455

ARTICLE 11 - HOURS OF WORK

Section 1 - Workweek

460 The regular workweek shall be five (5) consecutive workdays, Monday
through Friday, consisting of eight consecutive hours of work inclusive of lunch
within the twenty-four (24) hour period. The normal work day, except in
emergencies, is 7:00 a.m. to 3:00 p.m. In some instances, an Employee(s)' hours
465 of work may be altered on a seasonal or temporary basis.

Overtime at the rate of one and one half (1 1/2) shall be paid for all hours
worked in excess of eight (8) hours in a day or forty (40) hours in a week. Further
overtime at the rate of time and one-half (1 1/2) shall be paid to Employees who
470 work on a holiday identified in Article 13, except on Christmas and Thanksgiving
which will be double time. In the case of an altered workweek or hours, overtime
shall be calculated after the daily work shift or forty (40) hours, whichever is
appropriate. A lunch break of twenty (20) minutes shall be granted to all
Employees. The City will not relieve a person of normal duties because of
475 overtime worked, unless requested by the Employee.

Section 2 – Summer Schedule

Each spring, management will review the workload and projects scheduled
480 for the summer months and will determine if the crews will work the regular
schedule or will work four 10 hour days. Such changes may only occur if mutually
agreed upon by the Employee(s) involved and the Director of Public Works or his
or her designee.

485 Section 3 - Call Back

Employees called back to work shall receive a minimum of three (3) hours
pay for the work which they are called back for at time and one-half (1 1/2) the
straight time hourly rate. Call back specifically pertains only to Employees who
490 have punched out and left the premises prior to or after their regularly scheduled
straight time work shift. Employees offered the opportunity to begin work early,
may choose to do so and receive 1 1/2 times the regular rate for hours worked
only. All other circumstances shall qualify as a "Call Back" for pay purposes. Call
back minimum shall not be cumulative to hours worked, at time and one-half (1
495 1/2), in excess of the three (3) hour minimum. Employees shall be permitted
reasonable travel time (considering the location of the Employee's home and
weather conditions) for response to a call back. If an Employee is found to have

500 taken an unreasonable period of time to report for a call back, except for unusual circumstances, then the Employee shall be compensated only for the hours actually worked. The reasonableness of the response time shall be reviewed by the supervisor and the Union prior to the withholding of minimum call back pay.

Section 4 - Overtime

505 Employees may be assigned to overtime work at the discretion of the City. Employees shall be expected to work overtime unless excused by the City from November 15th to April 15th of each year. No Employee shall be required to work, and shall be sent home if, during extended overtime situations, an Employee informs his supervisor that he is too tired to work and said supervisor
510 concurs. No request will be unreasonably denied. Insofar as practicable, without reducing efficiency of work performance, opportunities to work overtime shall be offered as equally as practicable among the Employees in each job classification in each work area, provided the Employees are qualified to perform the specific overtime work required. Daily and weekend overtime opportunities shall be
515 accumulated on adequate records and offered overtime not worked shall be considered as worked in maintaining these records. If an Employee established that he has not received his fair share of weekly overtime, such Employee shall have preference to future weekly overtime until reasonable balance is re-established.

520 For all non-emergency overtime opportunities on the third shift, the evening (second) shift person shall be offered the first opportunity for the overtime and vice versa for the third shift person. All such overtime opportunities must be within the offered Employee's job classification.

525 Employees who have been called back to emergency work between the hours of 11:00 p.m. and 7:00 a.m. will be paid for a breakfast break of one-half (1/2) hour that may be taken prior to 7:00 a.m. This shall be interpreted to mean as follows:

530 (1) The City will pay the one-half hour breakfast break for Employees who work five (5) consecutive hours at some time during the third shift between 11:00 p.m. and 7:00 a.m. (for those Employees not scheduled to work the next shift) and; in the event the call-out was made prior to 5:00 a.m. and would be continuous
535 service through the first shift then the Employees would be entitled to a paid one-half (1/2) hour breakfast break.

(2) Employees who have worked from 7:00 a.m. through 3:00 p.m. and are continuing work and expected to work through the night shift shall be allowed a

540 fifteen (15) minute paid break between 3:00 p.m. and 11:00 p.m. Further, if the Employee continues to work after 11:00 p.m. and is expected to continue work he shall be entitled to a paid fifteen (15) minute break. All breaks shall be scheduled at the discretion of the Public Works Supervisors or their designee.

545 Section 5 - Rest Periods

Employees shall be permitted a fifteen (15) minute rest period during each one-half work shift. Rest periods shall be taken at times which are convenient and efficient to the current work assignment and with the approval of the supervisor.

550 Employees shall also be permitted two five (5) minute clean-up periods, one prior to lunch and one prior to the end of the work shift.

Section 6 – Compensation Time

555 Employees who earn overtime may elect, at time of earning, to be paid at their current wage or may accrue hours equivalent to the overtime worked (actual hours worked multiplied by 1.5). A record of accrued compensation time (earned but not paid or used) shall be maintained by the Director of Public Works or his/her designee. Employees must schedule accrued compensation time within
560 three (3) months of the date which it was earned (unless otherwise agreed to by the Director of Public Works or his or her designee).

ARTICLE 12 - WAGES

565 Section 1 - Wages

The permanent Employees of the Public Works Department who are members of the bargaining unit shall be paid in accordance with the attached wage and position classification schedules by respective fiscal years 2024, 2025, 2026.

575 Section 2 - Step Increases

New Employees without a Commercial Drivers License (CDL) will begin on Step 1. Upon obtaining a CDL, the new Employee will be moved to Step 2. New Employees who have a valid CDL on their date of hire will begin on Step 2. In
580 addition, eligible Employees will receive step increases in accordance with the

attached wage schedule(s) on an annual basis. In order to receive an annual step increase, each Employee must receive a successful performance evaluation. After successful completion of a probationary period and upon the date of his/her first anniversary of employment, if an Employee receives a successful performance evaluation, he or she will be eligible for a step increase annually, until he or she reaches the highest step in his or her classification. All subsequent step increase eligibility will occur on their anniversary date of hire, or if applicable, the date of promotion, and only after an employee has passed a successful performance evaluation that includes no unsatisfactory grades(U). Employees who have a majority of "exceeds standards (ES)" may advance additional steps on the wage scale if approved by the Director of Public Works or their designee.

Section 4 - Acting Pay

Employees who are assigned to work in a position in a higher pay classification shall be paid the starting pay of that classification or 5% above their regular hourly rate, whichever is greater for the time spent working in that position. The provisions of this section shall not apply when an Employee has not been assigned to the higher position or for bona-fide training, mandatory or voluntary.

A third shift may be established at the discretion of the Director of Public Works. Employees assigned to second shift will receive a 5% shift differential pay on to their base hourly wage rate Employees assigned to third shift will receive a 10% shift differential pay on to their hourly wage rate.

Section 5 - Cafeteria Benefit Plan

For Employees who elect to participate, the City will make an annual contribution to each participating Employee's account. The City will contribute \$800 annually to the account of each participating Employee who enrolls in the PPO 500 Health Insurance Plan. The City will contribute \$450 annually to the account of each participating Employee who enrolls in the POS C Plan. In addition to the City's contributions, participating Employees may also contribute, on an annual basis, the cash value of up to three (3) earned sick days, and up to four (4) sick leave incentive days, to their Cafeteria Plan account. The value of this contribution shall be calculated by multiplying the Employee's hourly rate then in effect, by the number of hours that Employee normally works in a typical workday (excluding overtime). In addition, Employees may also make discretionary contributions to their Cafeteria Plan account through payroll deductions, including savings from changing from the POS C to the PPO

625 500 Plan, so long as the total funds in each Employee's account (e.g. the total value of all employer contributions, Employee contributions, and the value of converting sick leave and sick leave incentive days) does not exceed the maximum amount allowed by law. Employees must have at least 40 hours of sick time remaining in order to be able to convert time into the benefit plan. The Cafeteria Benefits Plan documents shall govern all other terms of this benefit.

630 **Section 6 - Performance Evaluation**

635 During the term of this Agreement, the City and the Union agree to develop job specific criteria for use in the performance evaluation process. Use of job specific performance evaluations may be implemented on a position-by-position basis, as developed.

Section 7 - Certifications and City Arborist Pay

640 Employees who receive certifications pertinent to their position, will receive \$.15 per every certification added into their base pay, not to exceed \$1.80. The designated City Arborist will receive a total of 1.5% added into their base wages in lieu of the \$.15.

Section 8 - Longevity Bonus for 40 Years of Service

645 Employees who reach 40 years of continuous service to the City will receive a one-time bonus payment of \$500 on the 40th anniversary of their date of hire. 655

- | | |
|----------------|--------------------------|
| New Year's Day | Thanksgiving Day |
| Memorial Day | Day after Thanksgiving |
| July 4th | 1/2 day before Christmas |
| Labor Day | Christmas Day |

o65

665

In addition, all Employees in the bargaining unit will be entitled to six (6) individual floating holidays per contract year. Floating holidays must be taken within each contract year and requested by the Employee at least 48 hours in advance, unless unusual circumstances exist. Scheduling and/or approval of floating holidays shall be the responsibility of the Director of Public Works or designee who shall ensure that the floating holidays do not significantly interfere with the work and efficiency of the Department. The hours of the floater will be equivalent to the day it is used, with at least one floater for a 10 hour day. Provisions shall be made, however, so that no Employee forfeits any floating holiday.

670

675

ARTICLE 14 - VACATIONS

680

Permanent Employees, covered by this Agreement, shall be entitled to accrual of vacation leave in accordance with the following schedule:

6 months to completion of 5 years of service	1 day per month	8
6 to completion of 9 years of service	1.25 days per month	10
10 to completion of 15 years of service	1.50 days per month	12
16 to completion of their 19	1.75 days per month	14
20 or more years of service	2 days per month	16 hrs

685

Vacation leave shall be accrued on a monthly basis and at the end of the month. The month in which employment begins or ends will be counted as a month of service if employment begins before the 16th or ends after the 15th day of the month. (Any absence from duty for which sick leave is paid shall not constitute a break in the service record for the accumulation of vacation leave). Unused vacation days may accrue from one year to the next but at no time shall exceed a total accumulation of thirty (30) days or six (6) workweeks. Accumulated vacation leave, subject to the maximum allowed, shall be paid to an Employee upon separation after six months employment or upon death, with no minimum employment, to his or her beneficiary. The payment shall be made in one lump sum. Computation of the value of each day paid shall be determined by dividing the most recent weekly salary by five.

690

695

700

Scheduling and/or approval of vacation leave shall be the responsibility of the Director of Public Works or designee, who shall ensure that vacations do not significantly interfere with the work and efficiency of the Department. Provisions shall be made, however, so that no Employee forfeits any vacation leave.

705

Vacation leave must be requested 48 hours in advance unless unusual circumstances exist.

710 Vacation utilization authorized shall not exceed the balance available to the Employee by more than one (1) day. With the permission of the Director of Public Works or designee an Employee may be allowed to "borrow" one day's leave in advance but at no time may an Employee "owe" the City more than one (1) vacation day.

715 **ARTICLE 15 - SICK LEAVE**

Section 1 - Purpose

720 It is the expectation of the City and the Union that Employees be available for work. However, it is recognized that from time to time, Employees may be absent due to illness. Therefore, each Employee is provided with paid sick leave to accommodate periods of illness or injury. Misuse or abuse of sick leave is unfair to other Employees and the City. In accordance with this agreement,
725 Employees confirmed of sick leave abuse will be subject to the disciplinary process.

Section 2 - Accrual and Use

730 Each Employee in the bargaining unit shall be entitled to paid sick leave earned at the rate of one day for each calendar month of service. Sick leave will continue to accrue while an Employee is on sick leave, with unused leave accruable to a maximum of 150 days.

735 Illness for which sick leave may be granted shall be actual personal illness or incapacity, quarantined, bodily injury or disease. Sick leave may also be granted because of illness of a member of the Employee's immediate family, defined in this instance as spouse, child or parent.

740 An Employee requesting sick leave must speak with a Supervisor, or on the answering machine (with an appropriately detailed message) if the Supervisor is unavailable, no later than one half-hour (1/2) prior to the start of the Employee's regularly scheduled work shift on the day leave will be taken, unless unusual circumstances exist. Failure to call in one half-hour prior to the start of a regularly
745 scheduled work shift will be cause for progressive discipline as outlined in Article 8 - Discipline / Discharge.

750 Sick leave shall be credited and accrued at the rate of eight (8) hours a day
and shall be charged at hourly increments. In the case of an altered work shift,
sick leave shall be credited, accrued and charged at the number of hours of the
altered work shift. An Employee must be on an altered work shift for a minimum
of one (1) month for a change in the accrual and crediting of sick leave.

755 The City will post the monthly vacation and sick leave report which includes
each member's balance for vacation, sick leave and floating holidays. Sick leave
may not be "borrowed" in advance.

760 The Director of Public Works or designee, may as a condition of payment of
sick leave require a certificate from a qualified physician certifying the following:

- 760 a. That the Employee or his family member is in such condition as to justify
continued absence from employment;
- 765 b. documenting cases of single day patterned use of sick leave;
- c. high frequency of sick leave usage.

770 Except as provided in this section, an Employee absent on sick leave must
utilize accumulated sick leave for every day absent until he or she returns to work
or the sick leave is exhausted. Those Employees whose absence is covered by the
MMEHT Income Protection Plan have the option of using partial sick leave for the
first month of absence. The Employee must notify the Public Works Office Staff
and the Human Resources Department within 24 hours of his/her intent to use
775 partial sick leave. During this first month period, the Employee must use at least
two sick days per week to cover all weekly deductions including health insurance
cost share, Employee premiums for life insurance, income protection, dental
insurance, cafeteria benefit plan, retirement, ICMA Loans, child support and
similar deductions.

780 When all leave, including vacation leave and floating holidays have been
utilized by an Employee absent on sick leave, salary payments to the Employee,
including holiday pay, shall cease immediately. Once an Employee has exhausted
all continuous earned accrued leave benefits, the City will continue health
insurance coverage and life insurance coverage of the Employee (and the
785 Employee's dependents if applicable), up to and including 61 days from the date
that all such leave benefits have been exhausted as long as the Employee
continues to pay for his share of the premiums. At the end of the 61 days he or
she will have the option of continuing his or her health insurance as provided by
COBRA regulations at the Employee's expense, or have his or her insurance

790 coverage discontinued until such time as the Employee is able to return to work.

The Director of Public Works or his or her designee, in the use of reasonable judgment, may also require an Employee to undergo a medical examination, if the Employee's physical and/or emotional condition is affecting his/her health, safety, job performance or well being. These examinations will not be unreasonably requested.

Section 3-Parental Leave

800 A regular full time employee who has completed one full year of employment with the City of Auburn will be matched up to 2 weeks of paid time upon the birth or adoption of their child to be used concurrently with FMLA approved for the same reason. Employees must give at least 30 days notice (or as much as practicable, if the leave is not foreseeable) to the Human Resources Department. Parental Leave expires 12 months after the date of birth or placement of a child.

Section 4 - Retirement and Separation

810 One-half (1/2) of the accumulated sick leave, to a maximum of 75 days, shall be paid to an Employee upon retirement with 25 years of service, or upon death, to his or her beneficiary. One-half of accumulated sick leave to a maximum of 45 days will be paid to any Employee separating with ten years of service. Computation of the value of each day paid shall be determined by dividing the most recent weekly salary by five.

Section 5- Attendance Incentive

820 Those Employees who have reached maximum sick leave accumulation (150 days) shall be entitled thereafter to exchange three (3) consecutive months of perfect attendance for one (1) vacation day to be scheduled at the discretion of the Director of Public Works or designee. Employees, who have not reached the maximum sick leave accumulation, shall be granted one (1) vacation day upon the completion of three (3) consecutive months without using sick leave. For the purposes of this section the three (3) month periods are established as follows; 1 – (July, August, September), 2- (October, November, December), 3 – (January, February, March), 4 – (April, May, June). Use of sick leave for any reason (except as noted below) during any three (3) month period will deem the Employee ineligible for the incentive for that period. It shall be the Employee's responsibility to notify the Department of his/her eligibility for this incentive. Upon earning an attendance incentive day an Employee must elect to add the day to his/her

835 accumulated vacation leave or to have the current value (Employee's current
hourly wage x current work day hours) of the day placed into the Employee's
Cafeteria Benefit Plan for use in the next plan year which begins on 7/1. The value
of the Cafeteria Benefit Plan may not exceed the limit noted in Article 11, Section
4. Any earned vacation days shall be scheduled at the discretion of the Director of
Public Works or designee. It shall be the Employee's responsibility to notify the
Department of his/her eligibility for this incentive. Any earned vacation days shall
be scheduled at the discretion of the Director of Public Works or designee.

840 **ARTICLE 16 - OTHER LEAVES**

Section 1 - State and Federal Family Leave

845 The City will comply with all provisions of the State and Federal Family
Medical Leave Acts which provides unpaid Employee leave for up to 10
consecutive weeks (12 weeks under the federal law) for serious, life threatening
illness of the Employee or the Employee's immediate family, or for the birth or
adoption of a child. Leave under the Federal or State Family Leave Acts may be
850 taken if the Employee meets all of the requirements of the respective acts.

Any leave taken under the State and Federal Family Leave Acts shall be
substituted for, not taken in addition to any time taken under the City's Sick Leave
policy. If an Employee does not have sufficient sick leave accrual to cover leave
855 provided by the State and Federal Family Leave Acts for which he/she is otherwise
eligible, said State and Family Federal Leave shall be unpaid.

Section 2 - Leave of Absence

860 An Employee may be granted a leave of absence without pay by the City
Manager on recommendation of the Department head, with such leave not-to-
exceed one year in length. The granting of the leave shall protect the Employee's
existing continuous service for the leave period but shall not count as service time
for Maine State Retirement, nor shall vacation or sick leave accrue during the
865 absence, nor will the Employee receive pay for municipal holidays.

For the purpose of this section Leave of Absence shall be defined as any
leave without pay, of more than two weeks in duration, which is for personal
reasons of the Employee, and which is not occasioned by illness of the Employee.

870 Section 3 - Military Leave

875 Employees who are members of the organized military reserves and who are required to perform field duty will be granted a maximum of two weeks reserve service leave, in addition to normal vacation leave, per fiscal year. For any such period of reserve service leave, the City will pay the difference (if any) between service pay, and the Employee's regular pay except as hereinafter provided.

880 Section 4 - Jury Duty

885 An Employee will be granted special leave, as required, for jury duty or performance of other civic duty requiring appearance in court or before another public body. The Employee shall be paid the difference (if any) in compensation between the amount received from the rendering of such service and his or her regular rate of pay, if the service occurs during a work day. Any Employee who is released from active jury duty prior to 1:30 p.m. shall report to work and be available for active service.

890 Section 5 - Funeral Leave

895 Leave of absence without loss of pay shall be granted for five (5) consecutive calendar days for death of spouse or child and up to a maximum of three (3) consecutive calendar days (which must include the day of the funeral), plus reasonable travel time, shall be granted for the death of his or her immediate family. Immediate family here shall be defined to include parent, grandparent, brother, sister, brother-in-law, sister-in-law, father-in-law, mother-in-law, grandparents-in-law, grandchildren, and any other person living in the
900 Employee's household. Special leave may also be granted for the funeral of a co-worker if the funeral is scheduled during the regular work day, with the time granted not-to-exceed four (4) hours. Funeral leave for a co-worker will not be granted if the funeral is scheduled on the weekend, holiday, evening or during time that the Employee is not normally scheduled to work. One day's funeral
905 leave will be granted for all other in-laws and for aunts, uncles, nieces and nephews. For attendance at a funeral for a relative or friend not included in the category eligible for special leave, it shall be permissible to utilize sick leave.

910 Section 6 - Medical Leave

An Employee may be allowed up to 20 (twenty) hours per fiscal year of medical appointments when medical appointments are only available during working hours. Medical leave will be granted if the following conditions are met:

- The medical leave is available for the appointments of the Employee and is

- 915 not intended to cover medical appointments for spouse or dependents.
- Medical Leave may be taken in one hour increments, but will not exceed four (4) hours per occurrence.
 - The Employee must punch into work for at least 4 hours per day.

920 Medical appointments that exceed the 4 hour limit or which are in excess of
20 hours in the fiscal year will be charged against the Employee's sick leave
accrual, or if the sick leave is exhausted, against vacation or at no pay. It is the
responsibility of the Director of Public Works or designee to insure that this
benefit is not abused. Employees are required to schedule medical leave by
925 notifying the Director of Public Works or his or her designee, at least twenty-four
hours in advance (whenever possible). Following the appointment, a medical
sign-off form or a physician's slip/receipt may be required to be returned to the
Employee's supervisor and placed in the Employee's personnel file, unless
unusual circumstances exist.

930 **Section 7 - Termination**

935 An Employee who is absent from employment for any reason, excluding
active military duty, in excess of one (1) year, may be terminated at the discretion
of the City Manager. Employees with more than ten (10) years of continuous
employment with the city will have a period, not to exceed two (2) years for the
purposes of this section. Employees returning to work after a period of less than
one (1) year will be returned to their prior pay and seniority. Further, in any case,
Employees who have reached their maximum medical improvement and who as a
940 result are unable to fulfill their job duties may be terminated before the above
time periods. Employees must return to regular duty for a sixty (60) consecutive
day period in order to regain rights to a new grace period under this section.

945 **Section 8 – Promotion Notice**

With respect to promotion posting, Employees on leave will be notified of
the promotional opening via written notice (1st class mail) to their last known
address.

950 **ARTICLE 17 - INSURANCE**

Section 1 - Coverage

955 The City will make available to all Employees and their dependents (as
defined by the Maine Municipal Employee Health Trust) insurance under the

Maine Municipal Employees Health Trust (MMEHT). Effective with the signing of this Agreement, Employees opting for health insurance coverage with the City may participate in the PPO 500 Plan or the POS C Plan.

960 The City reserves the right to change or offer alternative insurance carriers, health maintenance organizations, preferred provider organizations, or benefit levels or to self-insure as it deems appropriate, so long as the new or alternative coverage and benefits are substantially similar to those which they are replacing.

965 **Section 2 – Cost and Health Promotion Program (See Addendum)**

The City and the Employee shall share in the cost of health insurance. Effective for the duration of this contract, City and Employee cost share for annual health insurance premiums will be 85% of the PPO 500 Plan for the City’s contribution and 15% of the PPO 500 Plan for the Employee contribution. The Employee cost share of the health insurance premiums will be 30% for Employees remaining in the POS C Plan. The City cost share toward the premiums will be 70% for Employees who remain in the POS C Plan.

975 In order to maintain the 15% Employee contribution (or 30% if in the POS C Plan), the members of the bargaining unit agree to participate in a health promotion program.

Employees who do not participate in the Health Promotion Program, either in part or in whole will be subject to the following cost share schedule:

980 FY 2024-2026 Employee Cost Share: 25% (40% for Employees in POS C Plan)

Section 3 - Cost Containment

985 The City reserves the right to institute cost containment measures relative to insurance coverage so long as the basic level of insurance benefits remains substantially similar. Such changes may include, but are not limited to, mandatory second opinions for elective surgery, pre-admission and continuing admission review, prohibition on weekend admission except in emergency situations, and mandatory out-patient elective surgery for certain designated surgical procedures.

Section 4 - Terms of Insurance Policies to Govern

995 The extent of coverage under the insurance policies (including HMO and self-insured plans) referred to in this Agreement shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes

concerning said insurance policies or plans or benefits there under shall be resolved in accordance with the terms and conditions set forth in said policies or plans and shall not be subject to the grievance and arbitration procedure set forth in this Agreement. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the City, nor shall such failure be considered a breach by the City of any obligation undertaken under this or any other Agreement.

Section 5 - Group Term Life Insurance Plan

Effective 7/1/17, the City will pay up to \$40,000 of supplemental term life insurance as provided under the City's policy with the Maine Municipal Employees Health Trust Supplemental Life Insurance Plan for each member of the collective bargaining group as long as the following criteria are met:

1. The member agrees to pick up the cost of his/her supplemental life insurance for any coverage over \$40,000. If the member does not purchase the remaining life insurance coverage, the member will not be eligible for the first \$40,000.
2. The City of Auburn and the participant agree to the terms and conditions of the MMEHT Supplemental Life Insurance Plan.

Section 6- Payment Program for Waiving Health Insurance Coverage with the City of Auburn

Any Employee covered by this Agreement may elect to waive coverage under the City's health insurance plans. Any Employee electing to waive full coverage or partial coverage for which he/she would otherwise be eligible shall be paid according to the following conditions:

a. Any Employee eligible for full family coverage, single parent coverage or single coverage, and who elects to waive all health insurance coverage under the City's plans, shall receive an annual payment equal to four (4) months of the City's portion of the health insurance premium contribution on the plan for which the Employee would otherwise be eligible. This payment shall be calculated using the insurance rates for the PPO 500 plan in effect for that calendar year.

b. An Employee who is eligible for a full family plan, but who elects coverage under either a 'single parent plan' or a 'single plan,' shall receive an annual payment equal to four (4) months of the difference in the City's portion of the health insurance premium contribution applicable to the plan for which the

1040 Employee is otherwise eligible, and the (lesser) plan which the Employee elects.
This payment shall be calculated using the insurance rates for the PPO 500 plan in
effect for that calendar year.

1045 c. If an Employee is eligible to be covered under a City health insurance
plan offered to another City worker (excluding those who work for the Auburn
School Department), the Worker may elect to be covered under that other City
worker's health insurance plan, in exchange for an annual payment from the City.
The payment shall be equal to four (4) months of that portion of the health
1050 insurance premium that the City would otherwise be required to contribute if the
Employee were to be covered as a single person. The payment shall be calculated
using the insurance rates for the PPO 500 plan in effect for that calendar year.

1055 d. Any annual payment for waiver of health insurance coverage required
by this section will be divided into twelve (12) equal payments and will be paid
monthly.

1060 e. A new Employee who waives health insurance coverage shall not be
eligible for the payment in lieu of insurance until he/she has successfully
completed the probationary period.

1065 f. If the new Employee wishes to be reinstated on the City's health
insurance plan, or changes his or her coverage from a single or a single parent
plan (if he/she would otherwise be eligible for full coverage) he/she may do so as
long as he or she follows the insurance carrier's requirements. Discontinuance of
health insurance or reinstatement of coverage will be effective the first day of the
month following the receipt of the written notice, provided that the Employee
meets all conditions which may be imposed by the health insurance carrier.

1070 g. In order to receive payment for waiving health insurance coverage or to
be reinstated on the health insurance plan, the Employee must annually notify the
City's Director of Human Resources in writing, that he or she is electing to waive
health insurance coverage, either in whole or in part. In addition, Employees who
make such an election shall produce evidence of independent health insurance
coverage to the City's Director of Human Resources during each open enrollment
1075 period under the City's health insurance plans, as a condition of receiving the
payment.

Section 7 – Health Reimbursement Account (HRA)

1080 The City shall continue a Health Reimbursement Account for each
Employee participating in the PPO 500 Plan through MMEHT. The City will provide

100% of the plan deductibles and co-insurance for each year of this Agreement.

1085 If, in any year during the term of this Agreement, City contributions remain
in the HRA after all employee requests for reimbursement have been paid in
accordance with the HRA plan documents, the remaining City contributions shall
be credited to the City's HRA contribution obligation for the following year (the
"Rollover Contribution"), if allowed under the HRA documents and applicable law.
1090 For the following year, the City shall contribute to the HRA the difference between
the Rollover Contribution and the amount required to meet the City's obligation to
fund 100% of the combined deductible and coinsurance payments for that year.

ARTICLE 18 - RETIREMENT

1095 The City of Auburn is a participating district in the Maine Public Employees
Retirement System for the benefit of all Employees covered by this Agreement.
Under this system, Employees may participate in a plan which provides a pension
at one half (1/2) pay with twenty-five (25) years of service with the attainment of
age 60 or age 65 for those hired in 2014 or later or a substantially similar plan.

1100 The City also participates in the I.C.M.A. 401(a) plan and the I.C.M.A. 457
plan. Participation is voluntary for any of the above retirement plans. The
Employee may join either the Maine State Retirement Plan or the I.C.M.A. 401(a)
plan, but not both. The I.C.M.A. 457 plan may offer a supplement for either of the
1105 other plans. The Employee contributes 5% to the 401(a) plan and the City
contributes 6% to the 401(a). There is no employer contribution toward the
I.C.M.A. 457 plan. The Employee and the employer must meet all IRS and I.C.M.A.
Retirement Corporation regulations in order to participate in the 401(a) and 457
Deferred Compensation plans.

1110

ARTICLE 19 - WORKER'S COMPENSATION

1115 All Employees are eligible for benefits under the Workers' Compensation
Act for a personal injury or compensable illness arising out of or in the course of
employment with the City.

1120 When an on-the-job accident occurs, the affected Employee shall report it
immediately to his or her direct supervisor, who in turn, shall immediately notify
the Director of Public Works or the Deputy Director of Public Works.

1120 Medical bills, when received either by the Department or the Employee, are
to be forwarded immediately to the City's Director of Human Resources.

1125 If the injured Employee is out for more than three (3) days, the Director of
Public Works or his or her designee shall, on the 4th day, fill out an Employee
Wage Statement using the forms provided by the Director of Human Resources,
and forward it to the Human Resources Department. If an Employee is absent for
more than three (3) days as a result of an injury occurring at or as a result of his or
her work for the City, an Agreement Claim Form will normally be signed by both
1130 the City and the Employee.

Medical bills are paid without any waiting period. For Employee
compensation there is a three (3) day waiting period. The City remains
responsible for Employee compensation for the first three (3) days of the absence;
1135 between four and thirteen days the insurance carrier provides compensation;
fourteen days and over all compensation is retroactive to day one.

If the carrier denies payment or stops payment, the Personnel Office will
contact the company, ascertain the reason, and contact the affected Employee.

1140 The affected Employee in a situation such as above may petition for a
hearing before the Worker's Compensation Commission and may be required by
the City to petition for such a hearing.

1145 If he or she so prefers, the Employee may receive his or her normal pay by
electing to have the difference between the amount of Worker's Compensation
benefits and normal pay charged to accrued sick leave. Such an election shall be
confirmed by the Employee in writing.

1150 Each time the injured Employee is examined by his or her physician, the
examining physician shall notify the City as to the Employee's condition and
whether or not he or she may return for light duty. If an Employee is determined
to have a work capacity for other than his or her regular job, such Employee shall
immediately report for such work as the City may arrange which is suited to the
1155 practitioner. Any Employee who is determined by his treating physician,
chiropractor, or other health practitioner to be fit to return to his or her regular job
shall do so immediately.

1160 The City shall have the authority to order an examination of any Employee
making a claim for, or receiving benefits under this section by a physician of his
choice. The City shall pay for the cost of this examination.

An employee who is out of work due to a work related injury will accrue sick leave,
vacation leave and floating holidays for one year cumulative absence from work beginning with

1165 the employee's first date of injury as long as the employee remains employed by the City of
Auburn. At the end of two years' absence from work as a result of a work
related accident or illness, or at such time that the Employee is determined by a

1225 Whenever practicable, major repairs on defective equipment shall be made in the shop not on the highway.

1230 Under no circumstances will an Employee be required or assigned to engage in any activity involving dangerous conditions of work.

1235 If an Employee is injured on the job as a direct result of violent action taken against him by a private individual(s) he shall have the first right to take civil action against said individual(s). However, if the Employee does not wish to take civil action he shall assign that right or request to the City who then shall have the right to proceed with Court action. Expenses for action by the City shall be the burden of the City and revenues derived from such action will revert to the City.

ARTICLE 23 - MISCELLANEOUS PROVISIONS

1240 During the term of this Agreement, the City agrees to maintain the following practices and benefits:

a. Employees can continue to use showers and lockers at the garage.

1245 b. Employees can continue to use the lunch room and vending machines after hours or during authorized breaks.

c. Employees can continue to play portable radios in their trucks, so long as they do not interfere with the reception of mobile radio communication.

1250

d. Supervisors will notify Employees when office/garage receives notification of personal emergencies relating to one of the Employees.

e. City will provide a flashlight for each truck.

1255

f. Public Works Department Employees may continue to use Public Works vehicles to stop for food, as long as stops are reasonably on the way.

1260

g. City will continue present practice of attempting to maintain a position for a disabled Employee for a period of up to one (1) year if it appears that said Employee will return to work and that maintaining the position will not be detrimental to the function of the Department.

1265

h. It shall be the responsibility of the Employees to make arrangements to get to and from work. However, in call-back situations where an Employee who lives in Auburn has no other method of transportation and no other ride can be obtained, then the City may provide a ride to the worksite. In all instances, the decision of the Director of Public Works or his or her designee shall be final.

1270

ARTICLE 24 - SUBCONTRACTING

If the city's subcontracting will result in a loss of a job of an Employee, the City will meet and consult with the Union over the loss of the job. In addition, the City will:

1275

A. Fill a posted vacancy within the Public Works Department, if any, with an affected Employee who is qualified for that vacancy;

1280

B. If there is no posted vacancy for which an affected Employee is qualified, the City will attempt to find a vacancy elsewhere within the City's workforce, which would provide comparable employment and offer such employment to the affected Employee;

1285

C. If there is no comparable employment available elsewhere within the City's workforce, the City will attempt to obtain an offer of employment for an affected Employee from a subcontractor.

1290 D. If there is no offer of comparable employment by the City, and if there is
no offer of comparable employment by the subcontractor, an Employee will
then be laid-off. A laid-off Employee shall be recalled to his former job if a
vacancy occurs within one (1) year of layoff.

1295 If an affected Employee obtains a job with a subcontractor, but is laid off by
the subcontractor within two (2) years after the Employee's last date of
employment with the City and the following conditions exist:

- 1300 1. The layoff of the former City Employee by the subcontractor was due to
the loss of the contract with the City of Auburn;
- 1300 2. the City of Auburn resumes the performance of the work formerly
performed by the contractor;
- 1305 3. because of the resumption of such work by the City of Auburn, a vacancy
exists in the Public Works Department for which the former City Employee is
qualified;

1310 Then the City shall recall that former City Employee for employment with
the City of Auburn.

1315 A laid-off Employee or former Employee may be given notice of recall by
certified mail sent to the Employee's last address in the City's records. Within five
(5) working days after the certified receipt date, a laid-off Employee must notify
the Director of Public Works of his or her intent to return to work in writing. If
1320 delivery of the notice is unsuccessful, or if an Employee fails to respond within
five (5) working days of the certified receipt date, such Employee shall be
considered to have forfeited his rights to recall and shall be considered to have
quit City employment. If an Employee timely notifies the Director of Public Works
of his or her intention to return to work, he shall be given up to fourteen (14)
consecutive days of the certified receipt date within which to report to work.

1325 It is understood that the City may subcontract for reasons of economic or
performance efficiency and effectiveness as long as those reasons do not include
retribution on the Union for the conduction of legal Union activities.

ARTICLE 25 - TRAINING

Section 1 - Purpose

1330 It is the policy of the Employer to provide training for its Employees whenever

1335 reasonably consistent with the operational needs of the Department. 1350 2. the Employee will be responsible for providing his/her own transportation, meals and related expenses;

1355 2. as a result of State Certification, the City shall not be required to make any changes in the Employee's job assignments, performance standards, promotions, pay, or other related matters, unless otherwise specified by this agreement.

1360 The sole purpose of assisting Employees to obtain State Certification is to provide an incentive for them to better themselves in their functional areas of employment.

Section 3 - Commercial Drivers License

1365 The City will reimburse an Employee for the cost of the Commercial Drivers License (CDL) when the CDL is a requirement for a promotion, or when the CDL is required by the City of Auburn. If an Employee acquires the CDL which is a requirement for a promotion which he receives at a later date, the City will reimburse the Employee for the cost of the license. The Employee will provide a receipt for the cost of the license to be placed in the personnel file for future reimbursement, if entitled by the provisions of this section.

1370

Section 4 – Additional Certifications

1375 Employees may obtain additional State of Maine licenses/endorsements and receive an annual bonus. All such certifications must meet the following conditions;

- 1380 a. The certifications and/or licenses must not be required by the Employee's current job description.
- b. The certifications and/or licenses must be reasonably beneficial to the Public Works Department and its work activities. The Director of Public Works will render the final determination.
- 1385 c. Employees must show proof of valid certification and/or license (annually) in order to receive the specified bonus.
- d. No bonus shall be paid for certificates, diplomas or other awards granted as a result of training or course completions which do not meet all of the other conditions herein.
- e. Employees must complete their probationary period before being eligible for any bonus.
- 1390 f. Each annual bonus will be paid in January.

For each State of Maine license/endorsement (listed below), earned and maintained, the Employee shall receive.

1395 Class A License (State of Maine) – only Equipment Operator II, Equipment Operator and Maintenance Person positions.

1400 Class B License (State of Maine) – only Maintenance Person and Traffic Technician II positions.

(eligible positions may only receive either the Class A or Class B bonus not both.)

1405 Emergency Medical Technician (State of Maine) – any Employee.

1410 The City agrees to develop a Field Training Program for the Department. The Program would conceptually provide for a standardized training program for Department positions and equipment. Within the program would be the appointment of Field Trainers who would possess the skills and knowledge to appropriately train new Employees or existing Employees on new equipment. All Employees who are certified and assigned as a Driver Trainer will receive a total of 1.5% added into their base wages.

All Certification bonuses will be paid out in the month of July.

1415

ARTICLE 26 - SEPARABILITY AND SAVINGS CLAUSE

If any provision of the Agreement is declared by proper legislative, administrative or judicial authority to be unlawful, unenforceable or not in accordance with applicable law, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement. The parties mutually agree to then renegotiate the terms of that particular contract provision which has been set aside.

1420

1425

ARTICLE 27 - ACTIVE AGREEMENT

The Union and the City agree, by mutual consent, to discuss, reopen or negotiate any matter or contract provision of interest to the parties during the term of this agreement. Any new or amended provision(s) is subject to ratification by both parties and cannot be unilaterally implemented unless mutually ratified. In particular, the parties agree to reopen and make necessary amendments resulting from the discussions and implementation of the Labor-Management Team Workplan.

1430

1435

ARTICLE 28 - LABOR-MANAGEMENT TEAM

The Union, its members, and the City agree to continue to participate in the Labor-Management Team. The purpose of the team is to work together in identifying and implementing improvements to the operations and productivity of the Auburn Public Works Department and service to the citizens of Auburn. The goals of the team include fostering good communications (both internal and external), improving customer service (internal and external), increasing accountability and effectiveness, increasing productivity and realization of cost savings. For this effort, the Union agrees to appoint a minimum of three (3) representatives to the team and other members as may be needed for individual issues and/or subcommittees.

1440

1445

1450

Annually, the team shall develop a Workplan (incorporated herein by reference) for the Department. The Workplan will be developed to identify and prioritize those areas/issues of improvement that the team will concentrate on achieving the team's goals. Each year's Workplan is hereby incorporated into this Agreement. In addition, the Union agrees to work towards the development and implementation of an Employee appraisal system.

1455 **ARTICLE 29 - DURATION**

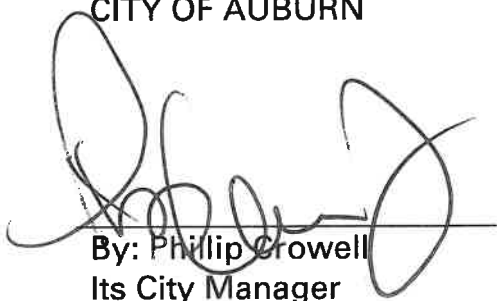

This Agreement shall be in full force and effect from July 1, 2023 to June 30, 2026, and shall automatically remain in effect from year to year thereafter unless either party shall notify the other in writing sixty (60) days prior to the anniversary date that it desires to modify or terminate this Agreement.

1460

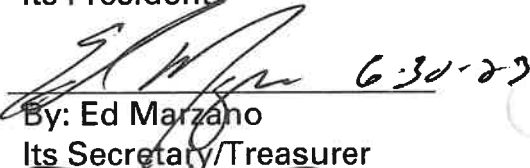

In witness thereof, the undersigned have caused this Agreement to be executed.

**Attachment A: CITY OF AUBURN HEALTH PROMOTION PROGRAM**

The program seeks voluntary compliance with a health promotion and health care management system which focuses primarily on prevention activities. The goal is:

- To reduce the overall need for health care services by City employees and their dependents
- To prevent disease by rewarding employees and their dependents for healthy behavior that will prevent disease; and
- To lower the rate of increase in the City's health insurance premiums.

The program can be broken down as follows:

Health Risk Analysis and Education

The first major part of the program is an individual health risk analysis which will be available for each Employee who desires one. This service may be provided by a health care provider that will be under contract with the City to provide these services or by the Employee's primary care physician. If the Employee opts to use his/her primary care physician, the result of the health risk analysis will be provided to the City's contracted health promotion provider. The health risk analysis will include but not be limited to high blood pressure, elevated cholesterol, diabetes screening, smoking, and body mass index (BMI). The aggregate results of the analysis for all City employees will be available to the City. However, consistent with Federal Law, the City will not have access to individual health risk analysis.

A health care educator will be assigned and responsible to work with each and every employee that signs up for the program. These educators will work to establish the base line for health risk factors for each Employee. Once established, the educators will work with the Employee to provide wellness goals and benchmarks. Educational material and motivation will be a core part of the program.

After the initial consultation, each Employee will receive at least one additional face-to-face meeting annually. Such meetings will be primarily designed to be on the job site for the employees and in a private setting. Depending on the results of the health risk analysis and the goals of the Employee, additional meetings will be scheduled. Should a face-to-face consultation not be practical, phone and email may be acceptable alternatives.

The City, after consultation with the Health Care Educator and the City Wellness Team, will, at a minimum, provide monthly health related programs and topics that relate to the challenges that are facing the Employees. The City will continue to seek creative and meaningful ways to reward and recognize employees making progress in obtaining their individual health care goals.

Health Care Advisory Team

The City's Wellness Team will meet regularly to assist in recommending health related programs, adjustments to the percentage distribution and any wellness issues or concerns that may arise. Though the Team may recommend changes or adjustments to the program, the City will make the final determination to either accept or reject such recommendations. Lastly, since communications is such an integral part of any successful program, the Team will

serve as an information conduit to City employees to assist in keeping them apprised of ongoing health care issues.
